

This guide is for **Math011** and **Math 012** students joining Dammam Community College in Term **162**. This guide will introduce you to the online homework submission system **MyMathLab Plus**. Please read this guide very carefully and in case of any problem contact your mathematics teacher.

Login

1. Open the link

<http://www.kfupm.mylabsplus.com>

In Internet Explorer/Firefox/Chrome.

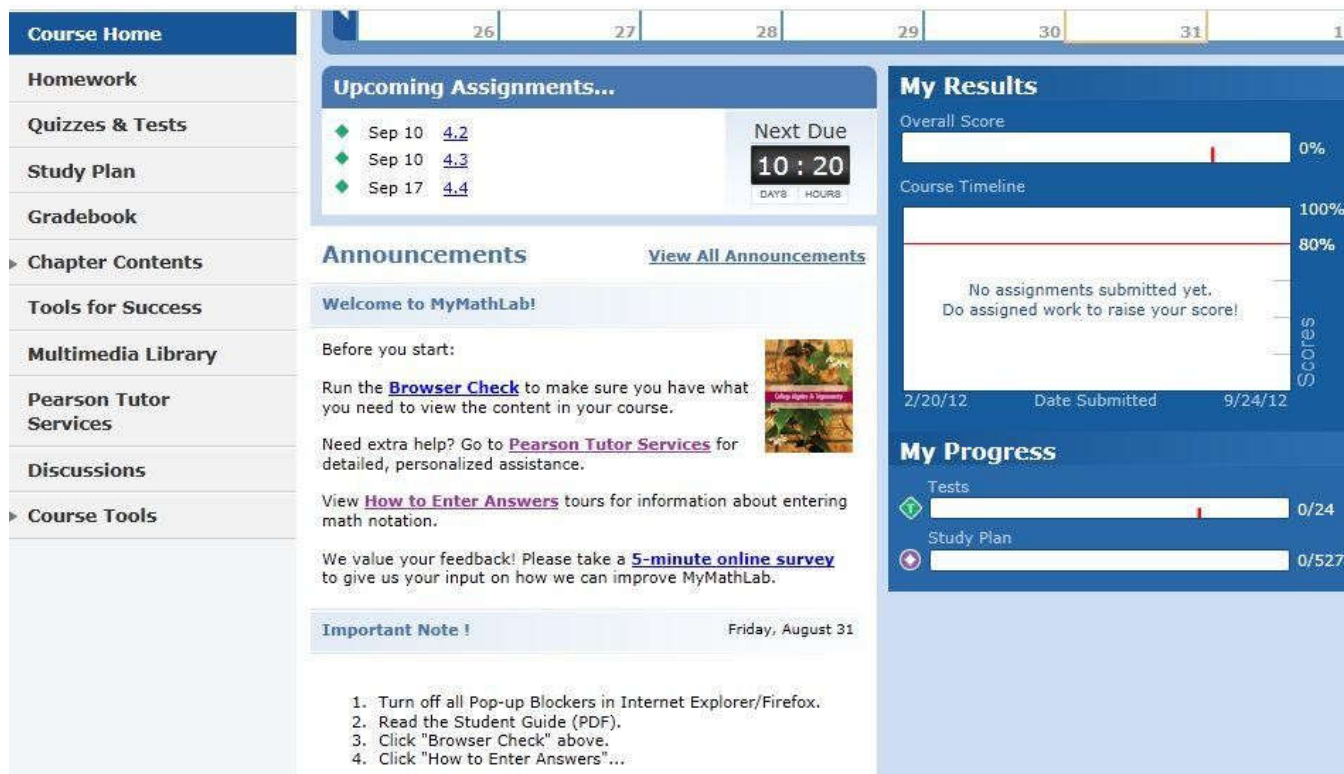

2. Enter **Username:** d201510xxx (student ID **with** d)

Password: 201510xxx (student ID **without** d)

3. If you are a new user then change your password by clicking on .

4. Make sure your section is correct. Click on your section. (for example **MATH 012 College Algebra – (DCC) Section 21**).

You will see the **Course Home**. If you see a license agreement, click “**ACCEPT**”.

The screenshot displays the MyMathLab Plus Course Home interface. On the left is a navigation menu with options: Course Home, Homework, Quizzes & Tests, Study Plan, Gradebook, Chapter Contents, Tools for Success, Multimedia Library, Pearson Tutor Services, Discussions, and Course Tools. The main content area features a calendar at the top showing dates 26 through 31. Below the calendar are three sections: 'Upcoming Assignments...' with a list of assignments (Sep 10 4.2, Sep 10 4.3, Sep 17 4.4) and a 'Next Due' timer showing 10:20; 'Announcements' with a 'Welcome to MyMathLab!' message and instructions on how to use the platform, including a 'Browser Check' and a '5-minute online survey'; and an 'Important Note!' dated Friday, August 31, with a list of instructions for users. On the right side, there are two summary panels: 'My Results' showing an 'Overall Score' of 0% and a 'Course Timeline' with a message 'No assignments submitted yet. Do assigned work to raise your score!'; and 'My Progress' showing progress for 'Tests' (0/24) and 'Study Plan' (0/527).
